The second item is a trio of raptor drawings (pictured below, from left to right):

- *Young Peregrine Falcon in a Pine Tree*;

Jim Heiring

Item Description

A 3-piece set of deep Navy blue Addidas luggage Jim received when he competed in the Summer Olympics in Seoul, South Korea. Each piece in the set bears an embossed leather patch which reads "U.S. OLYMPIC TEAM 1988".

The large wheeled suitcase has a small lock with two keys zip tied to a D-ring on the outside of the case; it measures approximately 27" x 20.5" x 9" and bears a few scuffs, as one might expect to see given the distance traveled on the only trip it took.

We peeked inside the suitcase and found the hanging garment bag and a large duffel bag stowed inside look virtually unused, as what appears to be the original wrap is over the handles on both pieces. The garment bag includes two hangers. All of the plastic snap-type buckles on the nylon straps on the set are in good condition.
